Clinical Care

Dates

Houston Methodist Hospital

06/2005-present

*Performed over 400 surgeries this past year at HMH and made clinic visits. Serve as the official hand and upper extremity specialist for the Houston Methodist Center for Performing Arts Medicine (CPAM) and part of the

orthopaedic team responsible for the injured athletes of several professional sports teams as well as area youth sports programs.

My ongoing research on small bone implants for the thumb and wrist has prompted an increase in small joint arthroplasty at the facility.

*Clinical appointment and part of the faculty in the Department of General Surgery, Division of Plastic Surgery – heading up The Hand Experience for plastic surgery residents.
